Titrateable Acidity: 5.5 g/liter

Volatile Acidity: 0.63 g/liter

Alcohol: 13.9%

410 cases produced

Harvest and Winemaking

The No. 22 Holiday Red is our first combination vintage coming from the 2021 and 2022 vintage. The 37% Syrah is from 2021 and the remaining 63% is from 2022. Both vintages were above average for heat during the summer and fall. 2021 was an early start and finish due to the higher heat during harvest. 2022 was cooler spring and early summer, followed by a perfect warm and sunny fall. Fortunately, both vintages avoided significant forest fire influence.

All the grapes that are in the Holiday Red are hand-picked, hand-sorted, and fermented by yeasts specific for each variety. The wine was aged in 100% used French Oak barrels for 10 months prior to bottling.

Tasting Notes

The Holiday Red Wine is a fan-favorite blend. Perfect for your every day wine. The 2021

Syrah is from Carousel vineyard. It provides wonderful structure and concentration. The remaining 63% is press wine from the 2022 vintage. Aromas encompass blackberry, cassis, vanilla, cedar, herbs, cinnamon, and smoked meat. Flavors in the Holiday lean towards the purple and blue fruit spectrum with hints of blackberry, blueberry, and cassis. There are notes of minerals, dried herbs, vanilla, and leather.

About Holiday Red

We have crafted the Holiday Red since 2008. The blend changes yearly but the wine is always delicious. Our goal is to craft a red wine blend that has concentration, acidity, and is delicious.

Ingredients

Syrah, Cabernet Sauvignon, Mourvèdre, Merlot, and Petit Verdot grapes, organic and inorganic yeast nutrients, tartaric acid, French oak, and 35 ppm of Free SO₂ at bottling to prevent oxidation.
