2020 i Label Malbec

Dark purple hue, core with a vivid red rim. Aromas of wet earth, wet granite, blackberry, forest undergrowth, pencil lead, and black pepper. The mouthfeel is generous and grows larger with oxygen as the Malbec unwinds. It is copiously rich and thick with attractive blackberry, blueberry, and marionberry flavors with notes of wet stones, earth, and wet forest. The acidity balances the fruit and keeps the Malbec lithe on the palette.
