## 2018 Barbara

Prima Fuga is a "first stage" in cycling parlance and a metaphor for the first wine collaboration between PCC's wine impresario Jeff Cox and Isenhower Cellars. The Barbera has aromas of lilacs dried lavender, marionberry, blueberry, pomegranate, and a hint of creamy chocolate. It has flavors of blueberry, blackberry, and black plum. The brilliant acidity is well integrated and dances on the tongue. Totally delicious and tasty!
