

# PHOTO BOMB

PINOT GRIS

The 2018 Photobomb Pinot Gris is 100% Pinot Gris. Gently pressed and fermented in stainless steel tank, the Pinot Gris did not go through malolactic fermentation, retaining the natural acidity and fruit flavors.

This Pinot Gris has aromas of yellow apples, bosc pear, and baked lemon pie. The mouthfeel is fruity and sweet with flavors mirroring the aromas of pears, yellow apples, and creamy lemon chiffon cake, yet balanced by the acidity.

We recommend pairing this Pinot Gris with medium textured fish such as trout, Halibut, and snapper. This wine also pairs nicely with yellow or green Thai curry and soft cheeses. Or simply enjoy by the glass with friends!

## Technical Information

---
