Summer Shipping Reminder

From snow in April to a rainy May, summer is almost upon Walla Walla. It has been cooler and wetter here than the previous years, to which we say, "thank you". Extra rain and snow help recharge the aquifer and hopefully lessens the potential for extensive forest fires this summer.

Friends and family are coming over for outdoor gatherings to enjoy grilling and renewing connections. Do you have enough Isenhower wine for your events? Malbec, Cabernet Franc, Grenache, Mourvèdre, and Syrah for the grill! Multiple Rosé's for extra sunshine in a glass; yes please! Time to order summer wine now.

There are a couple weeks of temperate weather before it is too hot to ship wine. Please visit our [website](#) or [email](#) us to

place your summer wine order. If you order 8 bottles or more shipping is only \$1 (excludes FOI Prime which always gets free shipping). You may also visit our tasting room in the Hollywood School District in Woodinville or drop by the winery in Walla Walla. We look forward to seeing all of you and are thankful for support of our family winery!

Looking for the perfect pairing for all those backyard summer nights?

2019 Carousel Vineyard Syrah

This Syrah pairs perfectly with ribs, steaks, meat kabobs and more. Just this week we had a little backyard BBQ with steak, chicken and lamb paired with a delicious crunchy salad with a buttermilk dill dressing and enjoyed (several) glasses of this beautiful Syrah. Get yours today!

94% Syrah, 6% Viognier. Very dark fruit aromas of black cherry, black plums, blackberries, and blueberries. Non-fruit aromas of wet rocks, black olive, dried sage, sweet cedar, and black pepper. The mouth is taut, rich, and mineral with more red fruit flavors of cherry and pomegranates. The acidity is lovely and balancing. There are some Syrah tar notes and hints of the stem fermentation.

(Regular \$40, FOI Classic \$32, FOI Six \$30, FOI Prime \$28)
