2022 PINOT GRIS

TASTING NOTES

100% Pinot Gris from cool climate vineyards in the Columbia and Yakima Valley. Gently pressed and fermented dry in a combination of 17% French oak barrels and 83% stainless steel tanks to retain the natural acidity and fruit flavors. The Pinot Gris has a clear, pale yellow hue. Aromas have a distinct minerality with fruit notes of asian pear, white nectarine, and green apple. There are notes of creamy oak and tingly acidity. The mouth feel is full of green apple, meyers lemon, and nectarine. The texture has generous acidity and is light and fresh in body.

TECHNICAL INFORMATION

Production: 673 cases

Alcohol: 13.1%

Free SO₂: 26 mg/l

Titratable Acidity: 7.0 g/l

Residual Sugar: 0.05 g/l

Volatile Acidity: 0.11 g/l

pH: 3.22

100% DELICIOUS
